Allergen information

Whilst we take extensive steps to ensure that the list of allergen ingredients in our menus is accurate, we cannot say that any dish on our menus is "free-from" any allergen, but only that it does not contain that allergen as an ingredient. Dishes may be handled and prepared in an environment which contains allergens so there is a risk of cross-contamination in our kitchen. Our allergen information relates only to dishes which contain those 14 allergens which we are required to declare as ingredients and is as provided to us by our suppliers. As such, our dishes may contain additional ingredients which you could be allergic and/or intolerant to and which we have not highlighted. Our descriptions do not include all ingredients or allergens. If you have an allergy or intolerance to an allergen other than any one of those 14 then please tell a member of staff before you order or consume any dishes from our menus.

Our frying oil is suitable for vegetarians and is produced from genetically modified soya.

Vegetarians and Vegans

Our Vegetarian and Vegan dishes are created using ingredients which have been confirmed suitable by our suppliers. They are however stored and prepared in kitchens where meat and dairy are also handled and may have come into contact with meat-based ingredients. If you would like further information on the preparation of these dishes please speak to a member of our team.
